Individual Infusion according to medical prescription	£ 95 to £ 400

# / Requests and Appointments

## TERMS OF PAYMENT

Reservations require a credit card guarantee. You can pay your bill by credit card, cash or debit card. Cheques are not accepted.

**Cancellation terms**      **Please note that your credit card will be charged the total amount of your medical consultation two working days prior to your appointment at 4:00 p.m. If you wish to cancel your appointment without incurring any fees, please do so before this timeframe.**

## MEDICINE

Medical treatments are scheduled exclusively following your medical consultation. In order to create a customised plan for your unique needs, your treatments will be prescribed individually. Unfortunately, we cannot guarantee the availability of certain doctors and therapists.

**Lab tests**      **All individual laboratory testing will be invoiced separately. External lab tests may incur shipping costs.**
